AUSL ALL-STAR CUP 101

HOW THE TEAMS ARE SELECTED

A draft will be held prior to each series of games with the top three players on the individual leaderboard serving as the team captains. The captains will fill their rosters by selecting 14 other players. Each draft will be held on the first day following the conclusion of the previous series.

Uniform colors will be assigned based on the team captain's rank on the leaderboard. The top-scoring captain's team will wear gold, while the second-highest point scorer's team dons its light AUSL regular season jerseys. The third-place team will wear its AUSL regular season dark jersey during each series.

Each team consists of 15 players, including four pitchers, two catchers, three middle infielders, three corner infielders and three outfielders.

RULES OF INTEREST

Game Duration: Each AUSL All-Star Cup game will consist of seven (7) innings regardless of the game's score. Unlike previous AU Pro Softball AUX and Championship Seasons, however, the bottom of the seventh inning will not be played if the home team is ahead in the game as no win points are awarded for the seventh inning.

Extra Innings: Team inning points and individual stat points are not earned in extra innings. Only inning points that have carried over from the seventh inning and game win points can be accumulated. No individual stat points will be awarded once a game goes past the seventh inning.

Captain's Challenges: Each captain will be permitted two (2) video review challenges per game, which will be reviewed by the replay official for a final decision. A challenge must be indicated by one of the two designated team representatives either verbally or visually before the next pitch is thrown, before all members of the infield have left their positions and fair territory, or before the umpires have left the field of play. A challenge is indicated visually by tapping the top of the head with one hand.

Umpires are also permitted to initiate a video review of any call from the reviewable plays list ***once the game reaches the sixth inning***. Furthermore, the crew chief may initiate a review at any point during the game when a play is not properly covered by an umpire (i.e. uncovered or double covered with a different signal from each umpire).

The following plays can be reviewed:

1. Regarding batted balls (any ball higher than the top of the foul pole when it leaves the field cannot have that aspect reviewed):
    a. Deciding if a batted ball called fair is fair or foul
    b. Deciding if a batted ball called foul should be a ground-rule double, home run or hit-by-pitch
    c. Deciding if a batted ball is or is not a home run
2. Regarding pitched balls at the plate:
    a. Deciding if a pitch ruled a dropped third strike was caught before the ball touched the ground
    b. Deciding whether a live or dead ball should be changed to a foul ball
    c. Deciding whether a foul ball should be changed to a foul tip only with no base runners, or if it would result in a third out
    d. Deciding whether a batter is entitled to an award of first base per hit batter (by pitch) - whether the ball hit the batter, whether the ball was entirely in the batter's box, whether the batter made an attempt to get out of the way of the pitch when required, and/or whether the batter intentionally tried to get hit by the pitch
3. Interference including collisions (reviewable if not called on the field)
    a. Batter interference and spectator interference may be reviewed at any time
4. Obstruction
5. Deciding if malicious/flagrant contact occurred
    a. Umpires may initiate this review without requiring a Coach's Challenge at any point in the game to ensure player safety
6. Timing Plays (deciding whether a third out is made before the lead base runner touches home plate)
7. Force/Tag Plays (plays involving all runners acquiring the bases before the defensive player's attempt to put the runner out at any base)
8. Blocked or Dead Ball/Placement of Runners (deciding whether a ball not ruled blocked should be ruled blocked and the proper placement of runners [per rule book] after any blocked or dead ball call
9. Catch or No Catch (in any situation)
10. Runners leaving the base prior to the touch on a fly ball (tagging up), runners missing a base and runners leaving early on a pitch
    a. The crew chief may not initiate a review of runners leaving early on a pitch; this review is only allowed by a coach's challenge
    b. If leaving early is not called on the field and a runner successfully advances a base on the play, this is reviewable with a Coach's Challenge with the following exceptions: Out of the park home run, hit by pitch, ground rule double, foul ball, lead off, or blocked ball base award on a pitch, a walk or catcher obstruction.
11. Base running situations
    a. A baserunner passes a preceding runner before that runner is put out
    b. If a batter-runner, after overrunning first base, makes an attempt toward second base
12. Any of the listed reviewable items if the action on the field results in a dead ball

The following criteria will be used for video review:

1. All equipment should be tested by appropriate personnel before each game.
2. A ruling on the field will only be changed if there is indisputable video evidence to reverse the call. Absent that evidence, the original ruling on the field will stand.
3. A review must be verbally or visually indicated before the next pitch, before the pitcher and all infielders have clearly vacated their normal fielding position and left fair territory, or the umpires leave the field of play.
4. Captains have 30 seconds to verbally or visually lodge a challenge.
5. The video review may be conducted on-site by the crew chief or by an off-field official at a centralized video review location.
6. If video review is conducted on-site by the crew chief, the video review area shall not require an umpire to walk through spectators or dugouts to view the coverage. At least one umpire must remain on the field.
7. During the review, the defensive team shall maintain their position on the field and may warm up if desired. Offensive base runners, current batter and the on-deck batter also shall remain on the field, but may leave their current position. Other personnel shall remain in the dugout. Any defensive or offensive conferences will be charged as during any other part of the game.
8. Once the review is completed, the crew chief will communicate the ruling to both head coaches and the official scorer using the following criteria. This should also be communicated to the broadcasting booth, if applicable, via the umpire who has a microphone.
    a. Ruling on the field is upheld
    b. Ruling on the field is changed
9. If the reversing of a call results in the need for decisions on the placement of base runners, the crew chief shall use their best judgement and/or the appropriate rule to determine where to place the runners as if the call had been made correctly.
10. The final decision may not be argued by either Captain. A Captain who argues the final decision shall be immediately ejected.

AUSL ALL-STAR CUP 101

INDIVIDUAL LEADERBOARD

While traditional softball statistics are kept during each AUSL All-Star Cup game, players earn individual points by accumulating those statistics. Points accumulated by statistics, inning and/or game wins and MVP selections are used to create an individual leaderboard, which determines captains for each series and the individual champion at the end of the season.

Points are awarded at the following increments during the game:

Single	+10 Points
Double	+20 Points
Triple	+30 Points
Home Run	+40 Points
Stolen Base	+10 Points
Caught Stealing	-10 Points
Base on Balls	+10 Points
Hit By Pitch	+8 Points
Sacrifice Fly/Bunt	+10 Points

In addition, pitchers are awarded at the following increments during the game:

Out Recorded	+4 Points
Earned Run Allowed	-10 Points

Athletes will be awarded 10 individual points if their team wins a single inning. If the teams score the same number of runs in an inning, the points carry over to the following inning. The maximum number of inning win points a team can earn in a game is 60 as no win points are awarded for the seventh inning.

All of the athletes on the winning team in each game receive 70 individual points toward the individual leaderboard. The total score determines the overall game winner, which means a team may lose multiple innings, but still win the overall game.

A total of three MVPs will be selected following each game by the athletes with the top player earning 60 points. The second MVP receives 40 points, while the third MVP claims 20 points.

A player may also receive 20 leaderboard points by being selected as the game's Defensive MVP. The player will only receive the points if the following conditions are met:

- The player is not selected as one of the three Game MVPs
- At least 50 percent of the players eligible must vote for a Defensive MVP

POSTSEASON AWARDS

At the conclusion of the 2026 AUSL All-Star Cup season, medals will be presented to the top three finishers on the leaderboard. The medals are designed and fabricated for Athletes Unlimited by Lisa Issenberg, founder of Kiitellä, inc. The front face of the media represents the identity of Athletes Unlimited, while the back face of the medal leans into the specific sport, the year, location and words about Athletes Unlimited's vision, mission and values on and off the field - Excellence in Community and Leadership.

ATHLETE COMPENSATION

Athletes are compensated in three ways during an AUSL All-Star Cup season, including base pay, win bonuses (inning and game wins) and a leaderboard bonus. The leaderboard bonus also includes an additional donation equal to 100 percent of the athlete's win bonus to their selected cause partner.

THE BOOK OF UNLIMITED

The Book of Unlimited was designed, handmade and bound exclusively for Athletes Unlimited and serves as a record keeper of its leagues, including the Athletes Unlimited Softball League. The book, which was handmade by Tikhon Verygyn in his studio in Kyiv, Ukraine, weighs nearly 25 pounds, measures approximately 12" by 18" and contains nearly 500 pages. The champion, along with all who competed, are inscribed into the book. In addition, The Book of Unlimited also contains a history of achievements in Athletes Unlimited, including stories, highlights and events.

The book opens during each season's Opening Ceremony and is closed after the champion's name is inscribed into the book during the Closing Ceremony. The tradition started during Athletes Unlimited Pro Softball's inaugural season in 2020.
