Gameday media information, including game notes, statistics, rosters and the 2026 AUSL All-Star Cup media guide can be found online by scanning the QR code below.

2026 AUSL ALL-STAR CUP: GAME #12

Team Kilfoyl (1-0) vs. Team Klingler (0-1)

Sunday, August 30, 2026 • Rosemont, Ill. • Parkway Bank Sports Complex • 8 p.m. ET/7 p.m. CT

YESTERDAY'S NEWS: Corner infielder **Sami Williams** drove in the game-winning run with a single in the bottom of the sixth inning as Team Kilfoyl held off Team Flippen for a 4-3 victory last night ... Williams' second hit of the game broke a 3-all tie while pitcher **Lexi Kilfoyl** scattered three hits over 4.1 scoreless innings of relief with three strikeouts.

SUMMIT MEETING: Pitcher **Lexi Kilfoyl** and corner infielder **Baylee Klingler** face each other in the final game of the All-Star Cup tonight in a battle of the top two players on the leaderboard ... Kilfoyl jumped into the top spot over Klingler after collecting 192 leaderboard points last night, giving her a 148-point lead entering the finale.

» This marks the first time since the 2021 AU Pro Softball Championship Season where the top two players on the leaderboard entering the final day play against each other in the last game of the season.

SO YOU'RE SAYING THERE'S A CHANCE: Five of the previous six All-Star Cup champions have entered the final day in either first or second place on the leaderboard ... The only exception came in 2022 when catcher **Dejah Mulipola** rallied from third place on the last day to claim the title.

A GOOD OMEN?: The player who has entered the final week holding first place on the leaderboard in each of the previous six years has gone on to claim that season's All-Star Cup title.

ANOTHER GOOD OMEN?: Four of the previous six All-Star Cup champions have led the league in win points at the end of the season ... Outfielder **Aleshia Ocasio** (2021) and catcher **Dejah Mulipola** (2022) stand as the only champions who did not pace the circuit in win points when they won the title.

CLOSE CALLS: Nine of the 11 games in this year's All-Star Cup have featured a margin of two runs or less following Team Kilfoyl's 4-3 victory over Team Flippen last night ... There have also been six games decided by one run.

C-NOTE: Outfielder **Kendra Falby** has posted six straight games with 100 or more leaderboard points after claiming 130 points in Team Kilfoyl's victory over Team Flippen last night ... Falby was limited to a season-low 40 points in her season debut on August 9 before beginning her six-game streak.

» Falby is one of three players in the All-Star Cup with six games of 100 or more leaderboard points this season, joining middle infielders **Ailana Agbayani** and **Hannah Flippen**.

ANOTHER NOTE: Pitcher **Lexi Kilfoyl** has earned 100 or more leaderboard points in five consecutive games after tallying 192 points in last night's win against Team Flippen ... Kilfoyl started the season with 146 total points in her first two games before starting her current five-game streak.

10 COUNT: Pitcher **Lexi Kilfoyl** can become the sixth player in All-Star Cup history to earn 10 career victories as a captain with a win over Team Klingler tonight ... She has won her last five games as a captain dating back to 2024.

VIEW FROM THE TOP: Outfielder **Morgan Zerkle** recorded two hits in last night's loss against Team Kilfoyl to become the All-Star Cup's career hits leader ... Zerkle finishes this season with 93 career hits, surpassing the previous record of 92 hits held by outfielder **Victoria Hayward** from 2020-25.

» Zerkle closed the 2026 All-Star Cup with eight hits in eight games, which leads the league entering tonight.

CLIMBING THE LADDER: Middle infielder **Aubrey Leach** recorded the 74th hit of her All-Star Cup career with a single in the second last night to move into sole possession of fifth place on the league's all-time chart.

STRIKING GOLD: Middle infielder **Aubrey Leach** also became the fourth player in All-Star Cup history to score 50 career runs when she scored the first run of the game last night in the first inning ... Leach needs three runs to move past outfielder **Morgan Zerkle** for third place on the chart.

» Outfielder **Haylie McCleney** owns the All-Star Cup record with 57 career runs from 2020-24, while outfielder **Victoria Hayward** follows in second place with 54 runs scored.

SMASHING SUCCESS: Outfielder **Megan Grant** leads the All-Star Cup field with four home runs in six games ... The rookie ranks third in the league with 200 stat points heading into tonight's finale against Team Klingler.

» Grant has hit 56 home runs during the 2026 calendar year, including 42 home runs at UCLA, 10 home runs in the AUSL regular season and her four All-Star Cup home runs.

» Fourteen of Grant's 22 hits recorded during the AUSL regular season and All-Star Cup have been home runs.

HAPPY BIRTHDAY: Team Klingler middle infielder **Sydney Sherrill** celebrates her birthday tomorrow (August 31).

WEEK FOUR SCHEDULE AND GAME INFORMATION

Date	Game	Time/Score	Broadcast	Theme/Promotions	Giveaway
August 28	Team Klingler vs. Team Flippen	Team Flippen, 3-1	CBS Sports Network	DePaul University Night	Cowbell (first 250 fans)

Designated home team listed second on schedule • Dates, times & broadcast designations are subject to change

AUSL ALL-STAR CUP 101

HOW THE TEAMS ARE SELECTED

A draft will be held prior to each series of games with the top three players on the individual leaderboard serving as the team captains. The captains will fill their rosters by selecting 14 other players. Each draft will be held on the first day following the conclusion of the previous series.

Uniform colors will be assigned based on the team captain's rank on the leaderboard. The top-scoring captain's team will wear gold, while the second-highest point scorer's team dons its light AUSL regular season jerseys. The third-place team will wear its AUSL regular season dark jersey during each series.

Each team consists of 15 players, including four pitchers, two catchers, three middle infielders, three corner infielders and three outfielders.

RULES OF INTEREST

Game Duration: Each AUSL All-Star Cup game will consist of seven (7) innings regardless of the game's score. Unlike previous AU Pro Softball AUX and Championship Seasons, however, the bottom of the seventh inning will not be played if the home team is ahead in the game as no win points are awarded for the seventh inning.

Extra Innings: Team inning points and individual stat points are not earned in extra innings. Only inning points that have carried over from the seventh inning and game win points can be accumulated. No individual stat points will be awarded once a game goes past the seventh inning.

Captain's Challenges: Each captain will be permitted two (2) video review challenges per game, which will be reviewed by the replay official for a final decision. A challenge must be indicated by one of the two designated team representatives either verbally or visually before the next pitch is thrown, before all members of the infield have left their positions and fair territory, or before the umpires have left the field of play. A challenge is indicated visually by tapping the top of the head with one hand.

Umpires are also permitted to initiate a video review of any call from the reviewable plays list ***once the game reaches the sixth inning***. Furthermore, the crew chief may initiate a review at any point during the game when a play is not properly covered by an umpire (i.e. uncovered or double covered with a different signal from each umpire).

The following plays can be reviewed:

1. Regarding batted balls (any ball higher than the top of the foul pole when it leaves the field cannot have that aspect reviewed):
    a. Deciding if a batted ball called fair is fair or foul
    b. Deciding if a batted ball called foul should be a ground-rule double, home run or hit-by-pitch
    c. Deciding if a batted ball is or is not a home run
2. Regarding pitched balls at the plate:
    a. Deciding if a pitch ruled a dropped third strike was caught before the ball touched the ground
    b. Deciding whether a live or dead ball should be changed to a foul ball
    c. Deciding whether a foul ball should be changed to a foul tip only with no base runners, or if it would result in a third out
    d. Deciding whether a batter is entitled to an award of first base per hit batter (by pitch) - whether the ball hit the batter, whether the ball was entirely in the batter's box, whether the batter made an attempt to get out of the way of the pitch when required, and/or whether the batter intentionally tried to get hit by the pitch
3. Interference including collisions (reviewable if not called on the field)
    a. Batter interference and spectator interference may be reviewed at any time
4. Obstruction
5. Deciding if malicious/flagrant contact occurred
    a. Umpires may initiate this review without requiring a Coach's Challenge at any point in the game to ensure player safety
6. Timing Plays (deciding whether a third out is made before the lead base runner touches home plate)
7. Force/Tag Plays (plays involving all runners acquiring the bases before the defensive player's attempt to put the runner out at any base)
8. Blocked or Dead Ball/Placement of Runners (deciding whether a ball not ruled blocked should be ruled blocked and the proper placement of runners [per rule book] after any blocked or dead ball call
9. Catch or No Catch (in any situation)
10. Runners leaving the base prior to the touch on a fly ball (tagging up), runners missing a base and runners leaving early on a pitch
    a. The crew chief may not initiate a review of runners leaving early on a pitch; this review is only allowed by a coach's challenge
    b. If leaving early is not called on the field and a runner successfully advances a base on the play, this is reviewable with a Coach's Challenge with the following exceptions: Out of the park home run, hit by pitch, ground rule double, foul ball, lead off, or blocked ball base award on a pitch, a walk or catcher obstruction.
11. Base running situations
    a. A baserunner passes a preceding runner before that runner is put out
    b. If a batter-runner, after overrunning first base, makes an attempt toward second base
12. Any of the listed reviewable items if the action on the field results in a dead ball

The following criteria will be used for video review:

1. All equipment should be tested by appropriate personnel before each game.
2. A ruling on the field will only be changed if there is indisputable video evidence to reverse the call. Absent that evidence, the original ruling on the field will stand.
3. A review must be verbally or visually indicated before the next pitch, before the pitcher and all infielders have clearly vacated their normal fielding position and left fair territory, or the umpires leave the field of play.
4. Captains have 30 seconds to verbally or visually lodge a challenge.
5. The video review may be conducted on-site by the crew chief or by an off-field official at a centralized video review location.
6. If video review is conducted on-site by the crew chief, the video review area shall not require an umpire to walk through spectators or dugouts to view the coverage. At least one umpire must remain on the field.
7. During the review, the defensive team shall maintain their position on the field and may warm up if desired. Offensive base runners, current batter and the on-deck batter also shall remain on the field, but may leave their current position. Other personnel shall remain in the dugout. Any defensive or offensive conferences will be charged as during any other part of the game.
8. Once the review is completed, the crew chief will communicate the ruling to both head coaches and the official scorer using the following criteria. This should also be communicated to the broadcasting booth, if applicable, via the umpire who has a microphone.
    a. Ruling on the field is upheld
    b. Ruling on the field is changed
9. If the reversing of a call results in the need for decisions on the placement of base runners, the crew chief shall use their best judgement and/or the appropriate rule to determine where to place the runners as if the call had been made correctly.
10. The final decision may not be argued by either Captain. A Captain who argues the final decision shall be immediately ejected.

AUSL ALL-STAR CUP 101

INDIVIDUAL LEADERBOARD

While traditional softball statistics are kept during each AUSL All-Star Cup game, players earn individual points by accumulating those statistics. Points accumulated by statistics, inning and/or game wins and MVP selections are used to create an individual leaderboard, which determines captains for each series and the individual champion at the end of the season.

Points are awarded at the following increments during the game:

Single	+10 Points
Double	+20 Points
Triple	+30 Points
Home Run	+40 Points
Stolen Base	+10 Points
Caught Stealing	-10 Points
Base on Balls	+10 Points
Hit By Pitch	+8 Points
Sacrifice Fly/Bunt	+10 Points

In addition, pitchers are awarded at the following increments during the game:

Out Recorded	+4 Points
Earned Run Allowed	-10 Points

Athletes will be awarded 10 individual points if their team wins a single inning. If the teams score the same number of runs in an inning, the points carry over to the following inning. The maximum number of inning win points a team can earn in a game is 60 as no win points are awarded for the seventh inning.

All of the athletes on the winning team in each game receive 70 individual points toward the individual leaderboard. The total score determines the overall game winner, which means a team may lose multiple innings, but still win the overall game.

A total of three MVPs will be selected following each game by the athletes with the top player earning 60 points. The second MVP receives 40 points, while the third MVP claims 20 points.

A player may also receive 20 leaderboard points by being selected as the game's Defensive MVP. The player will only receive the points if the following conditions are met:

- The player is not selected as one of the three Game MVPs
- At least 50 percent of the players eligible must vote for a Defensive MVP

POSTSEASON AWARDS

At the conclusion of the 2026 AUSL All-Star Cup season, medals will be presented to the top three finishers on the leaderboard. The medals are designed and fabricated for Athletes Unlimited by Lisa Issenberg, founder of Kiitellä, inc. The front face of the media represents the identity of Athletes Unlimited, while the back face of the medal leans into the specific sport, the year, location and words about Athletes Unlimited's vision, mission and values on and off the field - Excellence in Community and Leadership.

ATHLETE COMPENSATION

Athletes are compensated in three ways during an AUSL All-Star Cup season, including base pay, win bonuses (inning and game wins) and a leaderboard bonus. The leaderboard bonus also includes an additional donation equal to 100 percent of the athlete's win bonus to their selected cause partner.

THE BOOK OF UNLIMITED

The Book of Unlimited was designed, handmade and bound exclusively for Athletes Unlimited and serves as a record keeper of its leagues, including the Athletes Unlimited Softball League. The book, which was handmade by Tikhon Verygyn in his studio in Kyiv, Ukraine, weighs nearly 25 pounds, measures approximately 12" by 18" and contains nearly 500 pages. The champion, along with all who competed, are inscribed into the book. In addition, The Book of Unlimited also contains a history of achievements in Athletes Unlimited, including stories, highlights and events.

The book opens during each season's Opening Ceremony and is closed after the champion's name is inscribed into the book during the Closing Ceremony. The tradition started during Athletes Unlimited Pro Softball's inaugural season in 2020.
